

Workshop on 'Fable Career' at Bosco

On July 29, 2024, Bosco Public School, Paschim Vihar had the distinct pleasure of hosting an insightful workshop titled 'Fable Career', aimed at guiding grade 12 students through a range of career paths. The event featured a thorough exploration of key career domains including Finance, Accountancy, Business Management and Liberal Arts.

The workshop began with a warm sapling welcome of resource person Mr. Nakul Shairwal, Chief Mentor of IMS Delhi, as esteemed guest, by Boscos's senior faculty Ms. Taruna Sanjeev (PGT Economics).

The workshop covered a range of topics essential for students considering their future career paths. In the Finance segment, Mr. Shairwal discussed various career opportunities such as financial analysts and investment bankers, highlighting the skills and qualifications necessary for these roles. The Accountancy segment provided detailed information on the qualifications and certifications required to pursue a career in this field. In Business Management, various management roles were examined along with the requisite skills and knowledge for success. The discussion on Liberal Arts explored diverse career options, including opportunities in education, media and public relations.

The primary goal of the workshop was to equip students with a better understanding of these career paths, enabling them to make informed decisions about their futures. Through practical advice and discussions on current trends and future outlooks, the workshop aimed to align students' interests and skills with their career aspirations.

The event concluded with an insightful discussion during which students posed their queries, allowing for a deeper exploration of the topics discussed and providing valuable guidance.

The workshop was a valuable experience for the students, offering crucial knowledge and motivation to explore and pursue their chosen career paths.
