August 16, 2024

Dear Parents  
Greetings!

*“Assessment is the engine that drives learning.” – John Cowan*

As we progress through the academic year, we approach a crucial period for our students to prepare for their initial evaluations. These assessments are pivotal in identifying areas for growth and promoting comprehensive development. By undertaking these exams, students have the opportunity to showcase their knowledge and skills, while also gaining insights into areas that may require additional focus. This process not only aids in academic improvement but also instills a sense of responsibility and discipline in our students, laying a strong foundation for their future learning journey.

**A. General Instructions for Mid Term Examination:**
