Bosco Public School joyfully hosted a heartwarming event, 'Play Date with Grandparents@ Bosco,' on September 7, 2024, to celebrate the cherished role of grandparents in our lives. The event brought together the delightful young Boscons of Nursery with their beloved grandparents, creating an atmosphere filled with love, laughter, and togetherness. The day was packed with engaging activities designed to foster bonding and fun across generations.

Grandparents and grandchildren teamed up to participate in lively games, stimulating quizzes, and a delightful round of bingo, all of which sparked excitement and joy. The creative clay crafting session allowed everyone to explore their artistic side, while a lively dance session had both young and old twirling and grooving to the music, creating a vibrant and energetic atmosphere.

Every moment was brimming with happiness and high spirits, leaving everyone with hearts full of fond memories. The event was a perfect tribute to the invaluable role of grandparents in our families, reinforcing the importance of love, respect, and connection across generations. It truly was a celebration to remember, filled with moments that will be cherished by all who attended.
