FREE HEALTH CHECK UP CAMP AND CERVICAL CANCER AWARENESS SESSION (FOR 9 TO 15 YEARS GIRLS & THEIR PARENTS)

Dear Parents

Greetings!

We are pleased to announce that Bosco Public School, in collaboration with the Rotaract Club of Delhi South East under the aegis of Rotary Club will be organizing **Mega Blood Donation Drive, Free Health Checkup Camp and Awareness Talk on Cervical Cancer** (to be followed with **FREE vaccination** later) on **October 26, 2024 (Saturday)**, in the school premises. This initiative aims to promote health awareness and provide essential services to the parents of Boscons i.e. our extended Bosco family.

Health Camp details are as follows:

- ❖ **Cervical Cancer Awareness and Vaccination Drive:** An informative session designed to educate parents and students of ages 9 years and above about cervical health.
Free Cervical Cancer Vaccination: **FREE vaccination** will be administered for students aged **9 years and above** who participate and register in the session on a mutually agreed date with Rotaract.

NOTE: The cost of the private vaccine is approx. Rs. 8000/- and government vaccine - Cervavac by Rotary Club is Rs. 2700/- but here it will be offered **FREE OF CHARGE** to all students in the given age bracket, ensuring equitable access to this essential life saving health vaccine.

We kindly request parents of classes IV to IX **to arrive and be seated by 8:45 AM** in the **school ground**.

- ❖ **Blood Donation Drive**

The blood donation drive will offer a vital opportunity for everyone to come together and make a significant impact. Each donation can save multiple lives and your participation can bring hope to patients in need of transfusions. We encourage everyone to join us in this act of kindness and generosity as it will exemplify the spirit of compassion.

Donate blood and be the hero of your child.

Let's become champions of hope and create the ripples of compassion by doing our bit for the society.

- ❖ **Free Thalassemia Screening (By Thalassemic India)**

Camp will have **Free Thalassemia Screening** for students and people under 35 years (unmarried). We recognize that health concerns can be daunting. By participating, take a proactive step to protect the well-being of your loved ones and contribute to a healthier community.

Additional FREE Health Check Ups

- Blood Pressure (BP), Sugar, BMD Test, ECG and Pulmonary Function Test (PFT) by Venkateshwara Hospital, Dwarka
- Thyroid Tests (TSH) by Curelo Labs
- Eye Tests by UK Eye Care
- Dental Check-ups offered by Clove Dental
- On the spot consultations with General Physicians
- Physiotherapist Consultation

We encourage your participation in this important initiative, as it not only contributes to the health of those around us but also fosters a sense of compassion and service in Boscons.

Participating in this Health Camp will not only benefit your individual health but will also strengthen our commitment to wellness. By attending, you will gain valuable health insights and access essential services, fostering a culture of health awareness among our students and families.

Together, we can build a healthier future for everyone.

Regards

Bosco Public School
